Delete the proposed partial reimbursement of foregone tuition revenues from veterans tuition remissions of \$5,013,700 in 2007-08 and \$6,562,300 in 2008-09.

GPR - \$11,576,000

MOX 4 PG- Provide that a veteran who has an undergraduate degree may have the portion of tuition and fees that is equal to the amount of tuition and fees for an equivalent number of undergraduate credits remitted for 48 credits or until the veteran has earned a graduate degree, whichever is lesser. In addition, modify current law such that a veteran who does not have an undergraduate degree may have tuition and fees remitted for the lesser of the following: (a) 128 credits or eight semesters, whichever is greater; or (2) until the veteran has earned an undergraduate degree. Specify that a veteran who has received a remission for undergraduate study under this provision would not be eligible for tuition and fee remissions for graduate work.

Specify that an unremarried surviving spouse of an eligible veteran who had a child with the veteran could receive an undergraduate tuition remission until ten years after the youngest

child that the spouse had with the eligible veteran reaches, or would have reached, 18 years of age, or during the first ten years after the veteran died as under current law, whichever is later.
